# 2025 Dairy Research Foundation Symposium

THE UNIVERSITY OF  
SYDNEY

It's about **TIME** to...

**T**echnology, **I**nvestment, **M**anagement, and **E**nvironment are the four key words that truly encapsulate the future of the NSW dairy industry. Together they combine to make another key word, perhaps the most precious of all for a dairy farmer: **TIME...!**

The DRF and Industry Symposium is an opportunity to spend your precious **TIME** very wisely!

It is **TIME** to see each other, to share knowledge and experience, to networking.

It is **TIME** to see Dairy UP research and advances in action.

It is **TIME** to look forward to exchanging ideas and learn from others.

It is **TIME** to bring industry together to define the future of the NSW dairy industry!
